## Annex "B"

### **LIMITED ASSURANCE REPORT OF THE INDEPENDENT AUDITOR TO THE DIRECTORS OF ONTHECARDS INVESTMENTS II (PROPRIETARY) LIMITED (the "Issuer") IN RESPECT OF THE PROPOSED OFFERING OF ZAR6 500 000 000 CLASS A NOTES, CLASS B NOTES AND CLASS C NOTES (the "Proposed Transaction") AS DOCUMENTED IN THE PROGRAMME MEMORANDUM (the "Programme Memorandum") IN TERMS OF PARAGRAPH 15(1)(a)(ii) AND 16(2)(a)(vii) OF THE SECURITISATION SCHEME REGULATION (GOVERNMENT NOTICE 2, GOVERNMENT GAZETTE 30628 OF 1 JANUARY 2008) ISSUED BY THE REGISTRAR OF BANKS**

We have performed our independent limited assurance engagement on compliance in all respects with the relevant provision of the Securitisation Exemption in respect of the listing and issue of the Proposed Transaction documented under the Programme Memorandum and the Applicable Pricing Supplements.

#### *Issuer's responsibility*

The Issuer is responsible for compliance in all respects with the relevant provisions of the Securitisation Scheme Regulation (Notice No. 2 of Government Gazette No. 30628) of 1 January 2008, published under paragraph (cc) of the Definition of the "business of a bank" in terms of Section 1 of the Banks Act, 1990.

#### *Auditor's responsibility*

Our responsibility is to express our limited assurance conclusion on whether the Proposed Transaction as documented in the Programme Memorandum and the Applicable Pricing Supplements comply in all respects with the Securitisation Scheme Regulation (Notice No. 2 of Government Gazette No. 30628 of 1 January 2008, published under paragraph (cc) of the Definition of the "business of a bank" in terms of Section 1 of the Banks Act, 1990 (the "Securitisation Exemption").

We conducted our limited assurance engagement in accordance with International Standard on Assurance Engagements (ISAE) 3000, Assurance Engagements Other than Audits or Reviews of Historical Financial Information. This standard requires that we comply with ethical requirements and that we plan and perform the engagement to obtain limited assurance about whether the Proposed Transaction as documented in the Programme Memorandum and the Applicable Pricing Supplements are in all respects with the *Securitisation Exemption*.

#### *Basis of our work and inherent limitations*

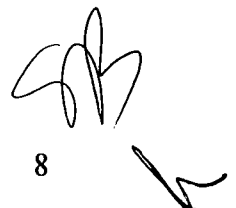

Our limited assurance engagement involves performing procedures to obtain sufficient appropriate evidence that the Proposed Transaction as documented in the Programme Memorandum and the Applicable Pricing Supplements complies in all respects with the *Securitisation Exemption*.

In a limited assurance engagement, our evidence gathering procedures are more limited than for a reasonable assurance engagement and therefore less assurance is obtained than in a reasonable assurance engagement.

The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the information contained in the Proposed Transaction. In making those risk assessments we consider internal control relevant to the Issuer's compliance with the *Securitisation Exemption* in order to design procedures that are appropriate in the circumstances, and such additional procedures as we considered necessary in the circumstances, but not for expressing an opinion on the effectiveness of the applicant's internal controls.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

#### *Conclusion*

  
8

Based on our work described in this report, nothing has come to our attention that causes us to believe that the Proposed Transaction as documented in the Programme Memorandum and the Applicable Pricing Supplements does not comply in all respects with the Securitisation Schemes Regulations (Notice No. 2 of Government Gazette No. 30628 of 1 January 2008, published under paragraph (cc) of the Definition of the “business of a bank” in terms of Section 1 of the Banks Act, 1990).

*Restriction in use and distribution of this report*

Our report is solely for the information of the Issuer to assess compliance of the Proposed Transaction as documented in the Programme Memorandum and the Applicable Pricing Supplements with the Securitisation Exemption and should be used only for this purpose. This report may not be disclosed to a third party, or quoted or referred to, without our prior written consent.

Yours faithfully
